RRB Group D Free Study Notes

Railway Recruitment Level 1 Posts — conducted by Railway Recruitment Boards (RRB). Prepared by PracticeMockTest (practicemocks.in). Always confirm details in the official notification.

Exam pattern

Pattern: Stages, marks, timing and negative marking are set in each cycle's official notification — check it before you start.

Syllabus checklist

- ☐ Mathematics
- ☐ General Intelligence & Reasoning
- ☐ General Science
- ☐ General Awareness & Current Affairs

Study plan tips

1. Read the official notification first and note eligibility, dates and the exact pattern.
2. Split the syllabus into weekly targets; finish each topic with 20–30 practice questions.
3. Take one full timed mock test every week, then review every wrong answer.
4. Keep a one-page formula/fact sheet per subject and revise it daily.
5. In the last month, focus on mocks, revision and previous-year papers from the official site.

Practice questions with solutions

1. Chemical formula of water:
A. CO2 B. H2O C. O2 D. NaCl

Answer: B. Two hydrogen atoms and one oxygen atom: H2O.
