Syllabus checklist

- ☐ Quantitative Aptitude
- ☐ General Intelligence
- ☐ English Language
- ☐ General Awareness

Study plan tips

1. Read the official notification first and note eligibility, dates and the exact pattern.
2. Split the syllabus into weekly targets; finish each topic with 20–30 practice questions.
3. Take one full timed mock test every week, then review every wrong answer.
4. Keep a one-page formula/fact sheet per subject and revise it daily.
5. In the last month, focus on mocks, revision and previous-year papers from the official site.

Practice questions with solutions
